Detail of Incident

[REDACTED] approached this case manager near bus station at OPC3. [REDACTED] was observed to still have his lips sewn together. [REDACTED] reported that he would only undo his sewn lips after getting freedom or after receiving a message from Tony Abbott. [REDACTED] reported that he had sewn his lips together himself. [REDACTED] reported that he continues not to eat or drink, and reported that he will die eventually from these actions (he stated maybe after 5 days). [REDACTED] reported that he wanted to die due to being held in the detention centre but did not report any current plans to self-harm. [REDACTED] reported concerns that Wilson guards with the chest video cameras laugh at the protesters (including himself) at 9pm at night and wanted this case manager to write a report about this.
